Pace for the Water/Sewer Project. The price reflected in the contract is \$372,500. The contract has been reviewed and approved by the WVRIFA Council and the WVRIFA Insurance Agent. The project is expected to be substantially completed by October 5, 2020 and Innovation Drive should be ready for final pavement on or before November 4, 2020.

6. DAVENPORT'S RECOMMENDATION TO THE WVRIFA IN REGARD TO REFINANCING

Chairman Cowell noted that the presentation on Davenport's recommendation on WVRIFA Bond Refinancing was previously distributed with the agenda and invited Mr. Kyle Laux, Davenport & Co to present. Mr. Laux reported that in the spring Davenport identified an opportunity for the Authority to refinance the 2016 Bond for debt serving savings and distributed a competitive Request for Proposals (RFP) to solicit local, regional and national banks for funding proposals to complete the Refinancing Opportunity. The original bond was established at 3.70% fixed interest rate and prepayable anytime without penalty. As a result of the Spring 2020 competitive bidding process, the Authority received a proposal from Atlantic Union Bank that will reduce the interest rate to 2.59% on the 2016 Bond and create debts service savings for the three local jurisdictions (City of Roanoke, Roanoke County and City of Salem) and allow the Authority to complete the 2020 Refinancing with the same repayment structure, final maturity, security structure and prepayment flexibility as the 2016 Bond.
